News Story

Material Handling Hose suits areas with static build-up.

March 7, 2005 - Static Conductor Hose facilitates safe industrial clean-up, offering alternative to rubber hose in applications where static build-up is of concern. Conductive properties allow for safe grounding when used with metallic fittings. Medium-duty hose features chemical and heat resistance of TPR, is UV-stabilized for outdoor use, and has smooth interior for optimized flow. Product comes in 2–6 in. sizes with -20 to +165°F operating temperature range.
